

DGC Singer Supply List

Each singer must arrive on time and prepared for each rehearsal. Parents will need to purchase a 1” three-ringed binder for their daughter to hold the music used in rehearsal (*Concert Choir will already have a binder from Music Camp*). In addition, each week singers should bring with them:

- 2 sharpened pencils
- small snack – (to be eaten during break time only)
- water bottle
- music bag - it makes it easier to remember to bring all supplies and music if singers keep all their supplies, including their music binders, in one bag. *DGC totes are available for purchase during registration.*

Sheet Music

Please be aware that your daughter is responsible for the music that she receives from the Danville Girls Chorus. All music is the property of DGC and should be treated with respect. A singer may only write on the music under permission of her director and ALWAYS only in pencil. Please remind your child not to doodle on the music. All music must be returned prior to each concert and if not in good condition the singer will be fined the cost of the music.

Thank you,

Anne Ramirez
